## PRAYER FOCUS

### Emotions in the Pandemic

The COVID-19 pandemic has attacked us all spiritually, psychologically, and emotionally - some more than others. Please pray that...

- people in our city will seek and find the hope they need in Jesus Christ.
- churches and individual Christians will make a special effort to reach out to those who need a friendly word and a sympathetic listening ear during these stressful times.
- those who are suffering emotionally will find the help they need.
- the Holy Spirit will bring peace to families pushed to the brink during the lockdown.
- God will give those providing mental health services at hospitals and counselling centres the insight and wisdom to help patients with their problems.
- the Lord will use the pandemic to draw many suffering people to Himself as their rock and redeemer.
