Dear Friends,

Are you frayed around the edges? A little scattered? Living on the edge (but not in the adventurous way)?

May this little documentary, [Godspeed](#), whet our whistles for life together with God. "It's a story of learning to walk instead of run. It's a story of the places and the people who slowed [a pastor] down. It's the story of the freedom [he] found and the freedom that found [him.]" As we see our way through this isolating time and reimagine Sunnyside Wesleyan Church as a community going forward into the future, this video may inspire us to prioritize authentic relationships which arise when we engage in patient, humble presence to God, to each other, and to others. Though our context is urban, and this film is focused on a parish pastor in Scottish rural and village life, we can still contextualize its message and values in our setting. As a community of believers, may we keep learning how to live alongside one another in mutually life-giving ways. So help us God.

**Sunday Online Worship Gathering at 10 a.m.**

Let us pray with the psalm writer: "In you, LORD, I have taken refuge; let me never be put to shame...you have been my hope, Sovereign LORD, my confidence since my youth...As for me, I will always have hope; I will praise you more and more." (Psalm 71:1, 5, 14)

May the peace of Christ be with you.

With love and prayers,

Pastor Kerry Kronberg (with the whole team)
