Dear Friends,

Can't Wait to See You!

The time has come! We look forward to gathering this Sunday to recognize and honour the Living Christ at 9 a.m. or 11 a.m. in the church sanctuary. Please [contact the church office](#) to receive weekly letters which include links to register for services and for Sunday School, as well as further information about weekday life and service in community.

For now, registration is required for Sunday services as we remain in Step Three in Ontario's Roadmap to Reopen. You are encouraged to join in-person, and you are also welcome to [participate at 11 a.m. by livestream](#).

For this week's scripture readings and other announcements, go to [Sunday's bulletin](#).

Christ is everywhere present: in our homes, in creation, and in society. We are also attentive to his presence when we gather in our church building as worshippers and friends on a faith journey. We are changed in Christ's presence. This week we'll focus on James 2:1-17 and how Christ-followers don't play favorites; we love as we've been loved.

We welcome children to participate in our services through worship songs with actions, by giving scripture readings, offering their testimonies or prayer requests, and through participation at the Communion table as a sign of faith on Communion Sundays. Children will go downstairs at sermon time for their own teaching, snack, and social time; before they do, we will read the story of Jesus to them and send them out with a song of blessing ringing in their ears.

Please read our [current guidelines](#) for meeting in the church building. When you register for a service, please complete [building entrance screening](#) on the home page of our website in advance.

Peace of Christ,

Pastor Kerry Kronberg (with the whole team)
